RAPPAHANNOCK AREA YMCA MISSION STATEMENT

The Y's Mission: To put Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

The Y's Cause: At the Y, strengthening community is their cause. Every day, the Y works side by side with its neighbors to ensure that everyone, regardless of age, income or background, has the opportunity to grow and thrive.

The Y is one of the nation's leading nonprofits, committed to strengthening communities in the areas of youth development, healthy living and social responsibility:

- Youth Development: Nurturing the potential of every child and teen.

The Y believes that all kids deserve the opportunity to discover who they are and what they can achieve. That's why, through the Y, millions of youth today are taking a greater interest in learning; making smarter life choices; and cultivating the values, skills, and relationships that lead to positive behaviors, the pursuit of higher education and goal achievement.

- Healthy Living: Improving the nation's health and well-being.

In communities across the nation, the Y is a leading voice on health and well-being. With a mission centered on balance, the Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, millions of youth, adults, and families are receiving the support, guidance and resources needed to achieve greater health and wellbeing for their spirit, mind and body.

- Social Responsibility: Giving back and providing support to our neighbors.

Across the country, the Y helps people give back and assist their neighbors by offering opportunities to volunteer, advocate, and support programs that strengthen community.

FINANCIAL AID OPPORTUNITIES

The YMCA Financial Aid Program is designed to ensure that YMCA services are accessible to all members of the community and no one is excluded because of an inability to pay. It is the policy of the YMCA to provide services for any youth, adult or senior who desires to participate.

While participants are expected to pay their share of operating costs, those who need assistance may be awarded full or partial scholarships based on their ability to pay, the YMCA's ability to fund the subsidy or program capacity.

For scholarship assistance information, contact your local YMCA branch. These funds are provided through the kind generosity of YMCA friends.

School Closes Early due to Weather – The Caroline YMCA SACC program will be open for up to two hours after the schools have closed. Please make alternative arrangements for your child if you cannot come and pick up your child soon after they are let out of school. The YMCA SACC sites will

close within two hours of school being let out. We want the children and our staff safe during bad weather conditions.

DISCIPLINARY AND BEHAVIOR MANAGEMENT POLICY

A child's participation in the child care program depends upon his or her behavior. We certainly want each child to enjoy the activities planned and benefit from their experience with the YMCA. Basic rules of safety and conduct are reviewed in this handbook. Please make certain that your child is aware of these rules. Parents will be informed by phone, in writing, and through parent conferences if their child continues to display poor behavior. General discipline techniques involve positive reinforcement for good behavior and careful explanation of behavior that is unacceptable. An activity will be denied for repeated poor behavior and the child will be directed to an alternative activity. Physical discipline will not be used nor will food be denied as punishment.

Failure to comply with the following simple rules may lead to disciplinary action, possible suspension and/or termination from the program:

- A. Repeatedly engaging in fighting as a way to solve an issue.
- B. Stealing or defacing the school/site or other children's property.
- C. Refusing to follow basic safety rules.
- D. Repeated disrespect or staff or rude or discourteous behavior toward other children.
- E. Repeatedly displaying an inability to follow established guidelines.
- F. Bullying on any level will not be tolerated. The YMCA reserves the right to immediately suspend and/or terminate services due to violation of this policy.

The parents will be given written notification of termination with a one-week period for obtaining new services. Immediate termination could occur if the YMCA staff feels it cannot maintain the safety and welfare of the child and/or other children.

LICENSING INFORMATION FOR PARENTS ABOUT CHILD DAY PROGRAMS

The Commonwealth of Virginia helps assure parents that child day programs that assume responsibility for the supervision, protection, and well-being of a child for any part of a 24-hour day are safe. Title 63.1, Chapter 10 of the Code of Virginia gives the Department of Social Services authority to license these programs. While there are some legislative exemptions to the licenser, licensed programs include child day centers, family day homes, child day center systems, and family day systems. The state may also voluntarily register family day homes not required to be licensed.

Standards for licensed child day centers address certain health precautions, adequate play space, a ratio of children per staff member, equipment, program and record keeping. Criminal record checks and specific qualifications for staff and most volunteers working directly with children are also required. Standards require the facility to meet applicable fire, health, and building codes.

Compliance with standards is determined by announced and unannounced visits to the program by licensing staff within the Department of Social Services. In addition, parents or other individuals may register a complaint about a program, which will be investigated if it violates a standard.

Three types of licenses may be issued to programs. Conditional licenses may be issued to a new program to allow six months for the program to demonstrate compliance with the standards. A regular license is issued when the program substantially meets the standards for the licenser. A provisional license, which cannot exceed six months, is issued when the program is temporarily unable to comply with the standards. Operating without a license when required constitutes a misdemeanor, which upon conviction, can be punishable by a fine of up to \$100 or imprisonment of up to 12 months or both for each day's violation.

If you would like additional information about the licensing of our child day programs or would like to register a complaint, please contact the Regional Office of Social Services closest to you.
