BABIES

Your child's happiness is very important to us; we will try every avenue to engage your child should he/she cry. If your child cries non-stop for 10 minutes, our staff may come and find you to try to help calm them down or take them home and try another day. This may also apply if your child has to be held the entire duration of their visit, or if Child Watch has more than 2 babies in their care.

EMERGENCY ACTION PLAN

Electricity Outage: The Kidz Zone has back up light that will come on in case of a power outage. Please pick up your child as soon as possible from the gym or kidz zone. Children tend to get upset and anxious when the lights go out.

Fire Alarm: During a fire alarm, all children attending Kidz Zone/Kid's Gym will be brought to the locations posted in these areas. You may pick up your child from any of these posted locations as soon as staff has had a chance to account for all children in their care.

Tornado Warning: In the event of a tornado warning, the children will be moved to the kitchen located in the youth wing. You may join your child there and may be asked to stay until the warning is over.

POSITIVE BEHAVIOR

The general discipline policy of the YMCA Kidz Zone follows the standards set forth by the Virginia Code (Standard 7.22-7.32) The following steps or situations have been incorporated to develop a positive approach to helping Children learn and exhibit appropriate Kidz Zone behavior.

Children are expected to adhere to the Kidz Zone guidelines including sharing, listening, following directions and helping clean up. (age appropriate) Proper manners are encouraged.

For most disruptions, children are given warnings and the staff person will try and redirect the child to another activity. If inappropriate behavior continues the child will be given a "time out" to think about the situation.

If improper behavior persists, parents will be notified. If improper behavior continues after notifying the parents, the YMCA reserves the right to dismiss the child from the Kidz Zone. The Kidz Zone follows a 3-strike your suspended rule at the Supervisor/ Manager discretion.

PROPER ATTIRE

Please remember that children are actively playing while in our care; appropriate clothing and footwear is necessary. (NO open toes shoes i.e. sandals or flip flops). To prevent unnecessary injuries, children are NOT allowed in the Kids Gym, InterAct Clubs or Kidz Zone unless under 1 years old with open-toed shoes.

SICK CHILD POLICY

The health and safety of your child is of major importance to all of us. In order to protect the children in the program who are well, we maintain firm policies about sick children. These policies are in compliance with all Virginia Commonwealth licensing regulations. Parents must contact the YMCA within 24 hours of their child, or any member of their household, being diagnosed with a communicable disease. If your child becomes ill in our program, we will call you; you must then make immediate arrangements to pick up your child. Sick children cannot be with well children. If we send your child home with a fever, they may not return until they have been without a fever for 24 hours. This means if we send your child home on Tuesday, he/she may not return until Thursday. Please keep your child home if he/she has:

- * had a fever in the previous 24 hour period
- * a cold that is less than two days old
- * a heavy nasal discharge
- * a constant cough
- * re-occurring vomiting or diarrhea (2 or more times)
