3								
4:30 Close								

This is a general schedule, and does not include "other" pool/lane rentals such as birthday parties, scout workshops, anomalous swim team usage, etc.

Dear members and Guests:

As you can see, there are many people using our pool for various activities. There is at least one member lap-lane available during most times though **you may have to share. Sometimes there are no lanes available for lap-swimming. It's fantastic so many people want to use the pool, and I hope you find the time to enjoy your swim!**

The Zero-Depth Area is always open for families, but you may have to share with lessons.
