### Massad Family YMCA Facility Rentals & Party Procedures

1. Patron is to submit facility rental or party request form & security deposit.
2. \$25 security deposit for Basic Party Package or classroom/pavilion rental; \$100 security deposit for any other party package or rental. Submission of rental request form without deposit will not be officially booked. Rental security deposits are processed to secure the date and are refunded to the patron 4-8 weeks after the completion of the rental by the Finance Department. Once the rental has been booked, a contract will be generated that the patron must sign. It will either be emailed or mailed to the patron if not completed in person.
3. The full rental fee is due at the time of the rental or party. (This does not include the prepaid security deposit.) If requesting rental fees be waived for a community organization, please submit a detailed request for consideration. Deposits will still be required.
4. Cancellation of rental or party package requires a 3-day cancellation notice or the patron could be charged the full rental fee. In case of inclement weather for a water park or pavilion party, we will accept last-minute cancellations and make every attempt to reschedule another date.
