ADDRESSING COMMUNITY NEEDS

For over 38 years the Rappahannock Area YMCAs have been meeting community needs with a plethora of programs; these are just a few of them:

A.O.A. Active Older Adults:

Specialized aquatic and land-based classes, social opportunities and events.

Kidz Club & Zumbatomic:

Interactive games, physical activities, & specialized group fitness classes designed to combat childhood obesity.

Special Needs

Fitness Initiative:

Specialized, structured activities for adults with intellectual and/or physical disabilities.

School Age Child Care:

A safe, positive environment for school age children to learn, grow, and thrive. Serving 33 schools and three YMCA branches in three Counties.

Swim Lessons/Tennis Lessons/Basketball:

With water surrounding a large area of our communities learning to swim is a very important part of keeping our children safe. Other sports keep our children active, involved, and teaches them numerous skills.

We are all united by a deep commitment to strengthen our community
